INSTRUMENT HOUSINGS FOR MARINE ELECTRONICS

*PowerPods are a better way
to mount your Radar,
Chartplotter or Fishfinder...*

PowerPod

PP5033 - Pre-Cut for Furuno
MFD12 Navnet 3D

All NavPods feature

Double seal for watertight integrity

Outer silicone seal is complemented by an internal seal made of memory resistant urethane foam that keeps its shape and sealing ability for many years.

Polished Stainless Steel TamperProof Fasteners

Large and strong buttonhead style screws with deep wrench recesses for better tightening power. Long 6" tamperproof wrench provided for easy assembly.
